This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the Application of Coastal Medical Transportation, LLC (the Applicant) whereby the Applicant seeks approval of an amendment to Class C Non-Emergency Certificate of Public Convenience and Necessity No. 8710 to reflect a modification to the name appearing on such Certificate. The Applicant is authorized to operate under Certificate No. 8710 pursuant to Commission Order No. 2013-156, issued March 26, 2013.

The Applicant requests the approval to amend Certificate No. 8710 by the following name modification:

FROM:	Coastal Medical Transportation, LLC
TO:	USA Care Trans LLC

It appears from the Applicant's request that the relief requested is a change in the name of the holder of the Certificate. Also, it appears that the change of name does not otherwise involve a change in operation of the business.

Based upon a review of the matters asserted in the present Application, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. The relief sought in the Application for modification of Class C Non-Emergency Certificate of Public Convenience and Necessity No. 8710 of Coastal Medical Transportation, LLC by changing the name to USA Care Trans LLC is approved.
2. This approval is for a change in the name of the holder of the Certificate but does not otherwise authorize any change in the operation of the regulated services.
3. The Applicant shall file an amended insurance filing with the Office of Regulatory Staff, reflecting the name change within ninety (90) days of the date of this Order, or within such additional time as may be authorized by the Commission.
4. Failure of the Applicant either (1) to file or cause to be filed with the Office of Regulatory an amended insurance filing reflecting the name change within ninety (90) days of the date of this Order or (2) to request and obtain from the Commission additional time to comply with the requirements of this Order as stated above, may result in the authorization approved in the Order being revoked.
5. Upon compliance with the filing of amended information with the Commission, a modified certificate shall be issued by the Office of Regulatory Staff to the Applicant as provided in this Order.

6. Prior to compliance with such statutory and regulatory requirements and the receipt of such amended Certificate, the motor carrier services authorized by such Certificate may not be provided under the amended name.
